Collier Companies contract customers will receive the activation, winterization, discount rate of \$80 for service calls and 20% off parts. The discounted rates will NOT be applied towards new or extending irrigation. The Automatic Contract Renewal provides Collier Companies with authorization to automatically process your credit or debit card on file, January 15th of each year. Contracts may be cancelled at any time; however an administrative fee of 20% will be deducted. To avoid an administrative fee, Automatic Contract customers must cancel their contracts no later than January 5th.

Activation: Turning on the water, programming the controller, cycling through each zone, checking & adjustments to sprinkler heads. **DOES NOT INCLUDE REPAIRS NEEDED TO THE SYSTEM.** If repairs are needed at time of activation, they will be billed on a quarter hour basis for labor plus any parts used. 20% off on parts

Winterization: Purge the water in the lines to prevent freezing. Collier Companies will not be responsible for damages due to freezing. **DOES NOT INCLUDE REPAIRS NEEDED TO THE SYSTEM.** If you have any date or time requirement due to aeration and over-seeding, please write us a note on the back of this contract. If repairs are needed at time of winterization, your repair will be rescheduled prior to the activation of your system the following year.

We will contact you by mail with your scheduled date. We will provide you with a reminder call prior to your scheduled date. The technician will need access to the control box panel and crawlspace for your scheduled date. If your controller is located inside of the home, you will need to make arrangements for someone to be present for our visit. **If no access is provided on the scheduled date, a \$30.00 trip charge will be assessed.**

Please mail a signed copy of your service agreement with your check or credit/debit card information to the address below. This agreement will **NOT** go into effect until signed contract and payment is received. The 2009 contract option will terminate at the end of the 2009 year.
